

BEAT THE FREEZE

Your Front Range weather-prep checklist

SAME
GARDEN
BRIGHTER
SPRINGS

CHECK YOUR ZIP CODE

Track neighborhood lows, not just the airport.

HARVEST BEFORE DARK

Pick tender produce before a damaging freeze.

DRAIN HOSES

Empty hoses and store nozzles before trapped water splits them.

SECURE THE YARD

Anchor lightweight pots, covers and décor before Front Range wind.

MOVE CERAMIC POTS

Saturated soil plus freezing temperatures can crack them.

KEEP FROST CLOTH READY

Label the plants that truly deserve rescue.

SAVE THIS BEFORE THE NEXT COLD SNAP
